Pencil Drawings For Beginners Beginner Sketches Drawing Tutorials For Beginners Art Tutorials Beginner Drawing Beginner Art Painting Tutorials Drawing Heads Painting & Drawing. Drawing faces begins by understanding basic proportions. Every artist struggles with certain aspects of anatomical drawing. Heads and faces, with everything from eyelashes to cheekbones, can be particularly intimidating. There’s a lot of crucial detail in every feature. Understanding the most basic proportions of the head is key, and will pay dividends when you get to finer details like the tip of the nose or the top of the ear. Fortunately, learning these proportions is a very manageable task. Begin by reducing the complexity of the human face to a few essential landmarks. Once you understand
