BIOCHEMISTRY

- Nutritional Biochemistry and Metabolism: With Clinical Applications by Maria C. Linder
I must have read the morning paper going into town, And having gotten through the editorial, No doubt, I must have frowned. I must have made my desk around a quarter after nine, With letters to be read. And heaps of papers waiting to be signed. I must have gone to lunch at half past twelve or so While-reading activities. Activity 4: Read the article that is below and answer these questions. a. What is a supermarket? b. What products can be bought at the supermarket? c. What is a self-service shop? d. Are prices high at the supermarkets? Why? Activity 5: Mark True (T) or False (F) based on the reading. 1. Shops are irrelevant in everyday life. 2. Supermarkets are the most popular kind of shops.
