"The Grand Traverse of the Massif Central takes you from the impenetrable accents of the Auvergne to the Occitane patois of the Mediterranean coast. I enjoyed the planning of the trip nearly as much as the trip itself and I like this book because it gives me just what I need. It is compact and light but is stuffed with useful information. There are full descriptions of the route for mountain bikes, road bikes and walkers and all are enhanced with some terrific photos. In fact, all you need to plan the route is Alan Castle’s excellent book, some maps and a mobile phone." – Austrian Alpine Club, W BORN CLASSIC.
