I wanted "stories behind every song" but what I received was an over-pretentious A level student struggling to meet the word limit and scrabbling for marks. I love Radiohead and wanted to hear about how their songs all came to be, along with any other little interesting FACTS about the band. This book did not satisfy, and while some interesting information can be found, it is drowned by the writers opinions, nauseating metaphors and unnecessary musical jargon. Now writer and musicologist James Doheny reveals the inside story behind every Radiohead song in a comprehensive and insightful book no true fan will want to be without.
