Changing Canada examines political transformations, welfare state restructuring, international boundaries and contexts, the new urban experience, and creative resistance. The authors question dominant ways of thinking and promote alternative ways of understanding and explaining Canadian society and politics that encourage progressive social change.

In their book Changing Canada: Political Economy as Transformation, Clement and Vosko (2003) define what they call "the new Canadian political economy" as follows: "It seeks to abandon the common sense-view that certain things (e.g. capital or markets) and social and economic systems (e.g. Mina bibliotek. Changing Canada: Political Economy as Transformation. By Clark, David. Read preview. Academic journal article British Journal of Canadian Studies. Changing Canada: Political Economy as Transformation. By Clark, David. This is the third volume in a series on the new Canadian political economy authored or co-authored by Wallace Clement that stretches back to 1989. The new Canadian political economy is a body of writing which derives from the Marxist tradition of radical social criticism; and the leading assumption of the (present) collection is that political economy, through its understanding of contradiction and change, can serve as a transformative tool in both scholarly work and action" (p. xv).
