The workshop on "Recent Developments in Computer Simulation Studies in Condensed Matter Physics", held at the Center for Simulational Physics at the University of Georgia, February 14-26, 1988, was an attempt to bring together some of the practitioners in this field and to provide a forum for the presentation and exchange of new ideas and recent developments. These proceedings are a record of the workshop and are published with the goal of timely dissemination of the papers to a wider audience. Recent developments.
