(2) In coordination with NGB, OCAR, U.S. Army Health Services Command (HSC), and U.S. Army Materiel Command (AMC), identify RC unit staffing standards resulting from—
   (a) Operation and maintenance of selected high tech equipment, for example, DAS–3, tactical fire direction system, field artillery digital automatic computer.
   (b) Selected MOSs that require long-term schooling and daily use to maintain go-to-war proficiency.

i. The Surgeon General (TSG) and the Chief of Engineers (COE). The TSG and COE will—
(1) Identify FTS requirements per guidelines and procedures established in this regulation.
(2) Plan for FTS requirements per procedures established by NGB/OCAR.

5. Objectives
The objective of the FTS Program is to improve RC readiness and mobilization/deployment planning and preparation by providing—
(a) AGR, Active Army, and Federal Civil Service personnel to RC units and organizations.
(b) AGR personnel to Active Army organizations in support of RC missions.

6. Implementation
a. Military technician (MT), AGR, and Active Army FTS requirements are identified in Active Army organizations and RC units and organizations for assigning full-time personnel in support of the ARNG and the USAR.

b. This regulation establishes guidance for identifying FTS requirements in support of the ARNG and USAR. To assist commanders in developing FTS requirements, TRADOC develops FTS table of organization and equipment (TOE) and TDA staffing standards per AR 310–49.

c. ARNG and USAR commanders will use TRADOC TOE staffing standards when developing FTS MTOE requirements.
(1) ARNG and USAR commanders will—
   (a) Not designate requirements for MTOE positions other than those identified in the TOE staffing standards, except as provided for in g below.
Include FTS requirements in developing and updating all TOEs.

2. ARNG and USAR FTS MTOE requirements need not include all FTS positions identified in the TOE staffing standards.
   d. NGB, OCAR, and MACOM request changes to TOE/TDA staffing standards per AR 310–49.
   e. TRADOC conducts periodical organizational integration reviews of FTS TOE/TDA positions per AR 310–49.
   f. NGB, OCAR, and MACOM allocate FTS unit authorizations against approved FTS TOE/TDA positions per AR 310–49.
   g. To permit flexibility in tailoring FTS authorizations for specific unit needs, NGB/OCAR and MACOMs may grant exceptions to FTS TOE/TDA positions.
      1) Exceptions will be based on unique unit considerations such as: new and special equipment, unit conversions, high technology, geographic distribution, CAPSTONE relationships, proximity to support/training facilities, and other considerations deemed appropriate by NGB/OCAR.
      2) Exceptions will not exceed 10 percent of total FTS unit authorizations or one additional authorization per unit, whichever is greater. This exception will not be construed as authority for a general extension of the TOE staffing standards.
   h. FTS authorizations for major United States Army Reserve Command (MUSARC) and division headquarters (HQ) will not exceed 10 percent of the total number of FTS authorizations within the MUSARC/division.
   i. ARNG and USAR FTS MTOE/TDA positions/requirements will be maintained in the TAADS database to facilitate program planning and to ensure responsiveness to ARSTAF, Department of Defense (DOD), and Congressional inquiries.
   j. HQDA (ODCSPER) reviews all manpower surveys, to include AGR manpower staffing standards for FTS positions in the ARNG, and USAR. Manpower requirements are driven by workload, and are established, increased, or decreased based on changes in missions, programs, procedures, technology, and Army doctrine and philosophy. AR 570–4 prescribes planning, programming, budgeting, and executing policies applying to manpower management for activities organized under TDAs, MTOEs, and related augmentation and mobilization documents. The basic methods for determining manpower requirements in the TDA are manpower surveys, manpower staffing guides, and manpower staffing standards (AR 570–4, AR 570–5, and DA Pam 570–4). These methods identify the minimum number and kind (that is, military and civilian mix) of personnel needed to perform mission essential work. In combat support and combat service support units, the manpower requirements criteria (MARC) system, governed by AR 570–2, determines the minimum essential wartime manpower requirements.
   k. HQDA (ODCSPER) develops policy and publishes guidance for identifying FTS positions and verifies distribution of FTS resources in accordance with the DAMPL, unit readiness, and mission criticality.
   l. NGB, OCAR, and MACOMs issue guidance for—
      1) Identifying FTS requirements.
      2) Planning, programming, and budgeting for FTS requirements.
      3) Reporting FTS requirements to the TAADS database.
      4) Providing periodic reports on use of FTS assets.
   m. HQDA (ODCOPS) assists NGB, OCAR, and MACOMs in maintaining FTS information in TAADS.

7. Full-time support (FTS) positions in organizations above the division or MUSARC level
   a. HQDA, in conjunction with the NGB and OCAR, supplements and publishes policy guidance for identifying FTS positions above the division or MUSARC level.
   b. JCS, OSD, HQDA Staff agencies, TSG, COE, FOAs, and MACOMs identify FTS positions from required TDA positions within their respective organizations, and submit requests with justification and priorities to HQDA, NGB, and OCAR. Agency/MACOM FTS positions must support RC mission requirements only.
   c. ODCSPER, OCAR, and NGB should approve and validate FTS manpower requirements for each agency through manpower surveys, application of MS–3 standards and position description criteria, and TAADS actions per AR 570–4 and AR 570–5.
   d. NGB and OCAR approve FTS authorizations consistent with the ARNG/USAR objective. Recognized requirements are maintained in the TAADS information database.
   e. NGB and OCAR distribute manpower funding allocations against approved FTS requirements.
   f. ODCSPER distributes manpower funding allocations against approved Active Army FTS requirements at the unit identification code (UIC) level of detail.
   g. MACOMs, HQDA Staff agencies, and FOAs document FTS manpower authorizations by paragraph and line in TAADS.

8. FTS positions in ARNG/USAR units at division or MUSARC level and below
   a. HQDA (ODCSOPS–ODM) develops and publishes FTS policy guidance and HQDA staffing criteria. TDA and
MTOE documents identify FTS positions (requirements) in ARNG and USAR units at and below division or MUSARC level.

b. DCSOPS–ODM reviews ARNG and USAR unit FTS positions/requirements. AGR and Active Army positions on approved TDA and MTOE documents are positions to which AGR and Active Army personnel may be assigned. Changes in FTS TDA and MTOE positions are made per AR 310–49.

c. NGB and OCAR verify unit eligibility with DAMO–ODR in accordance with the DAMPL before allocating FTS resources.

d. NGB and OCAR assist MACOMs in documenting those requirements authorized for fill.

e. NGB and OCAR apply FTS AGR/Active Army manpower allocations by UIC level of detail to specific units as reflected in the current command plan, and MACOMs/NGB report these authorizations in TAADS.

9. FTS personnel

a. AGR personnel are assigned to FTS positions per AR 135–18.

b. MT and status quo personnel are assigned to RC units per AR 140–315.

c. Department of the Army (DA) civilian personnel are assigned to FTS positions per AR 570–4 and AR 570–5.

d. Active Army personnel are assigned to FTS positions per AR 614–200 and AR 614–100.

e. The following considerations will govern use of Active Army personnel in the FTS Program:

   (1) Active Army personnel attached to ARNG units will be assigned to Active Army TDA positions aligned with unit MTOE positions. ARNG MTOE positions to which Active Army personnel are attached will be held vacant during the period of attachment.

   (2) Active Army personnel are attached to FTS positions to assist RC units when special expertise is required and not available through AGR personnel. NGB, OCAR, and MACOMs will reassess FTS positions at the completion of each Active Army tour to verify if—

      (a) Expertise is available through an AGR source.

      (b) The position should revert to a drilling position.

      (c) Special Active Army expertise is still needed.

   (3) Active Army personnel attached to FTS positions are not advisers but will be integrated into unit functions and missions.

   (4) Active Army personnel attached to ARNG units are not authorized to take part in State-ordered periods of active duty if, by so doing, they violate section 1385, title 18, United States Code (Posse Comitatus Act).

f. The three categories of FTS personnel are: Active Army, Active Guard Reserve (AGR), and Federal Civil Service.

   (1) Active Army personnel are military personnel on active duty who are paid from Military Personnel, Army appropriations.

   (2) AGR personnel are USAR soldiers or National Guard soldiers on active duty or full-time National Guard duty assigned to support the RCs by organizing, administering, recruiting and retaining, instructing and training the RCs. The three categories of AGR positions are:

      (a) Indirect Support AGR personnel include individuals not assigned to units (other than recruiters) who are ordered to active duty under 10 USC sections 265, 672(d), 3496, and 8496.

      (b) Direct Support mission manpower positions are RC MTOE/TDA validated positions in Selected Reserve units. AGR soldiers assigned to those positions will mobilize and/or deploy with the units they support. These positions help prepare RC units for their wartime missions.

      (c) Direct Support manpower positions are recruiting positions.

   (3) Federal Civil Service personnel provide full-time support for RCs. There are three major categories:

      (a) MTs. MTs are Federal civilian employees, employed under title 5 USC and title 32 USC, providing full-time support for administration, training, and maintenance in RC organizations/units. These employees must maintain their status as drilling RC members as a condition of employment. ARNG MTs are in the excepted civil service, while USAR MTs are in the competitive civil service.

      (b) Other technicians. Personnel who provide administrative, training, and maintenance support to the RC but are not required to maintain military status as a condition of employment include ARNG competitive technicians and USAR status quo technicians. These personnel are hired under section 3101, title 5, United States Code, and section 709, title 32, United States Code. They are not part of the Selected Reserve.

      (c) Other Civil Service personnel. Personnel who are neither technicians nor required to maintain military membership as a condition of employment. These personnel are hired under section 3101, title 5, United States Code, to provide administrative and recruiting support to the RCs. They are not part of the Selected Reserve and have no mobilization mission with the unit supported.

10. Statutory authority

Certain sections of law that govern Army Reserve Component personnel ordered to active military service under the
Active Guard Reserve Program are listed in \textit{a} and \textit{b} below. This list does not contain all provisions of law that may be relevant, and is intended only to provide an overall background for appropriate research.

\textit{a. Sections of title 10, USC.}

(1) 265—Provides for ARNG or USAR officers to be on active duty at the seat of government and headquarters responsible for reserve affairs.

(2) 517—Establishes limitations on numbers of personnel in ranks of master sergeant and sergeant major.

(3) 524—Establishes limitations on the numbers of field grade officers serving on active duty.

(4) 672(d)—Provides that an authority designated by the Secretary of the Army may order a member of a Reserve Component of the Army to active duty, or retain the member on active duty, with the member’s consent. Army National Guard of the United States (ARNGUS) personnel require the consent of the governor.

(5) 3021—Basis for the Army Reserve Forces Policy Committee. Also, the authority for officers of the Reserve Components of the Army to serve as additional members of the Army Staff.

(6) 3496—Establishes the number of officers of the ARNGUS authorized to serve on active duty in the National Guard Bureau.

\textit{b. Section of title 32, USC.} 502(f)—Provides for members of ARNG to be ordered to full-time duty under State control.

Terms
(The following terms have been tailored to fit specific regulations as indicated and as such may not be completely applicable to other regulations. AR 310–25 is the official Dictionary of Army Terms.)

Active Army

a. The Active Army consists of (1) Regular Army soldiers on active duty; (2) Army National Guard of the United States and Army Reserve soldiers on active duty except as excluded below; (3) Army National Guard soldiers in the service of the United States pursuant to a call; and (4) all persons appointed, enlisted, or inducted into the Army without component.

As used in this regulation, the term is applied to all Army National Guard of the United States and U.S. Army Reserve soldiers ordered to duty under Title 10, U.S. Code, other than for training. It does not include AGR personnel in a full-time National Guard duty status under Title 32, U. S. Code. (AR 135–18.)

Active duty list (ADL)
An order of seniority list (required by 10 USC 620) of commissioned officers on active duty in the U.S. Army other than those listed below (10 USC 641).

a. Reserve officers.
   (1) On active duty for training.

These personnel are on FTNGD or AD (other than for training or AD in the Active Army) for 180 days or more for the purpose of organizing, administering, recruiting, instructing, or training the Reserve components and are paid from National Guard Personnel, Army or Reserve Personnel Army appropriations. Exceptions are personnel ordered to AD as

commissioned warrant officer, who is not in the inactive Army National Guard, in the Standby Reserve (Inactive List), or in the Retired Reserve.

Active service
Service on active duty or full time National Guard duty. (AR 135–18.)

Administrative board procedure
An administrative separation action wherein the respondent will have a right to a hearing before a board of commissioned, warrant, or noncommissioned officers. It is initiated in the same manner as the Notification Procedure. (AR 135–178)

Administrative separation
Discharge or release from expiration of enlistment or required period of service, or before, as prescribed by the Department of the Army (DA) or by law. If one of the basis for separation includes a continuous unauthorized absence of 180 days or more, the consulting counsel will advise the soldier that a discharge under other than honorable conditions is a conditional bar to benefits administered by the Veterans Administration, notwithstanding any action by a Discharge Review Board. Separation by sentence of a general or special court-martial is not an administrative separation. (AR 135–178)

Administrative separation board
A board of officers, or officers and NCO’s, appointed to make findings and to recommend retention in or separation from the service. The board states the reason and recommends the type of separation or discharge certificate to be furnished. (AR 135–178)

Applicant
a. A person who applies voluntarily for reenlistment in the USAR and is found eligible. A participant in the USAR AGR Program is considered an applicant on signing a completed DA Form 3340. (AR 140–111)
b. A member of the RA, ARNG, ARNGUS, or USAR who applies voluntarily for order to active duty or full-time National Guard duty in the Active Guard Reserve Program. (AR 135–18.)

Appointed counsel for consultation
Can be defined as either a or b.

a. A qualified counsel who is a commissioned officer of the Judge Advocate General’s Corps who is appointed to consult with and advise, at the outset of any initiated involuntary separation proceedings, an individual being processed for separation under chapter 2, section II. This officer will advise the individual concerning the basis for his or her contemplated separation and its effect, the rights available to him or her, and the effect of any action taken in waiving such rights. The consulting counsel may advise the individual regarding the merits of the contemplated separation action when, in his or her professional judgement, such advice is appropriate. The consulting counsel should, however, inform the individual that he or she cannot represent him or her before a board of officers unless he or she is also appointed as counsel for representation. Communications between the individual and consulting counsel regarding the merits of the separation action are privileged communications between the attorney and client. (AR 135–175)
b. A qualified counsel who is a commissioned officer of the Judge Advocate General’s Corps who is appointed to consult with and advise, at the outset of any initiated involuntary separation proceedings, and individual being proceedings, an individual being processed for separation under this regulation. Nonlawyer counsel may be appointed when the soldier’s place of assignment is more than 250 miles from sufficient judge advocate resources. When a nonlawyer counsel is appointed, appropriated authority will certify in a permanent record that a lawyer with these qualifications is not available and state the qualifications of the substituted nonlawyer counsel, who must be a commissioned officer in the grade of first lieutenant or higher. Such counseling may be accomplished face-to-face, by mail, or by telephone, as appropriate. This officer will advise the individual concerning the basis of the contemplated separation and its effect, the rights available to the soldier, and the effect of any action taken by the soldier in waiving such rights. The soldier will also be advised that the enlistment may be voided if he or she is being considered for separation for fraudulent entry (desertion from another military service). Consulting counsel may also advise the soldier regarding the merits of the contemplated separation when counsel believes such advice is proper. The soldier should be informed that the counsel cannot represent the soldier before an administrative board unless appointed as counsel for representation. Consulting counsel will advise the soldier that if he or she receives a discharge certificate which is less than an honorable discharge certificate, there is no automatic upgrading nor review by any Government agency. Upgrading is considered only on application to the Army Board for Correction of Military Records of the Army Discharge Review Board. Consideration by either of these boards does not guarantee upgrading of a discharge certificate that is less than an honorable discharge certificate. Communications between the soldier and consulting counsel regarding the merits of the separation action are privileged communications between the attorney and his or her client. If one of the basis for separation includes a continuous unauthorized absence of 180 days or more, the counsel
will inform the soldier that a discharge under other than honorable conditions is a conditional bar to benefits administered by the Veterans Administration, notwithstanding any action by a Discharge Review Board. (AR 135–178)

**Appointed counsel for representation**

This counsel will possess the qualifications in (1) or (2) below, as applicable. The appointed counsel for representation and the appointed counsel for consultation need not be the same individual.

(1) The appointed counsel for an individual being processed for separation, which could result in issuance of a discharge under other than honorable conditions (chap 2), is a lawyer within the meaning of the Uniform Code of Military Justice, Article 27(b)(1), unless an appropriate authority certifies in the permanent record that a lawyer with these qualifications is not available and states the qualifications of the substitute nonlawyer counsel. (See fig 1–1 for an example of a statement of nonavailability and appointment of counsel.)

(2) The appointed counsel for an individual being processed for separation for cause, where only separation with an Honorable Discharge Certificate may be effected (para 2–11), should be a lawyer if one is reasonably available. This lawyer need not be qualified under Article 27(b)(1), UCMJ. If a lawyer is not reasonably available, the appointed counsel must be a commissioned officer in the grade of first lieutenant or higher. (AR 135–175)

\( b. \) A military counsel designated per AR 27–10, chapter 6, or a civilian counsel retained by the soldier at no expense to the Government, to represent the soldier in a hearing before an administrative separation board. Such military counsel will be a lawyer per Article 27B91), Uniform Code of Military Justice. The convening authority may designate a nonlawyer as assistant counsel. The appointed counsel for representation and the appointed counsel for consultation need not be the same individual (AR 135–178).

      1. A certificate of graduation.
      2. An official school transcript.
      3. A statement of completion from and appropriate school official.

The applicant must have received a high school diploma, or submit proof of graduating (see (a) above), before entering the second phase of IADT. The bonus or SLRP addendum’s to the reenlistment contract are void where the soldier enters the second phase of IADT without proof of graduation.

(5) High School Certificate of Attendance (ATTN). An attendance-based certificate or diploma. These are sometimes called certificates of competency or completion but are based on course completion rather than a test such as the GED or CHSPE.
