The book starts with the WHY and then quickly moves into the HOW. What I like about the book it it's broken down into easily digestible sections/chapters with a table of contents at the front so if you're looking to improve in just one area, you can quickly jump to that section. The only thing I didn't love about the book is that's it's a little light on the actual steps to take to change your leadership style from a positive to a negative. Overall, I thought this book was inspirational and it definitely pumped me up to be even more of a positive leader. If you are a new leader, looking to develop your individual leadership style, or an experienced leader, looking to improve your leadership style, this is the book for you. I highly recommend The Power of Positive Leadership *****. Read more.
