Customer reviews. Mar 24, 2014 - Scottish Emigration to Colonial America, 1607-1785. First published in 1966, R. J. Dickson's Ulster Emigration to Colonial America 1718-1775 remains the acknowledged work of scholarship on migration in the eighteenth century of a quarter of a million people from Ulster to the New World. It combines detailed investigation of the economic, social and political background to the exodus with information on the emigrant trade and an analysis of the motivations and origins of the emigrants themselves.
