The intervening time had not been gentle to her, Brunetti thought, seeing the dark circles under her eyes, the skin that had become drier, rougher in texture. She went back to where she had been sitting, and Brunetti saw that there was nothing near her - no book, no magazine, no sewing. Apparently she had been sitting and waiting for him, or for the future. My Place is an autobiography written by artist Sally Morgan in 1987. It is about Morgan’s quest for knowledge of her family’s past and the fact that she has grown up under false pretences. The book is a milestone in Aboriginal literature and is one of the earlier works in indigenous writing. 

I’m originally from upstate South Carolina, but I don’t think that location influenced my writing as much as other places I’ve lived, including South Florida, the setting for my newest book, Grayer than Grey. San Francisco, where I lived for 12 years, is the location for first novel, SEX is nothing more than a game of tennis. Worlds collide when she and her friends journey to reach the mysterious place known only as Finias. Will they rise to the challenge, or is the magical realm as good as gone already?
