I rarely give books one star, but this one was particularly awful. Just because the book is about forgetful bears, doesn't mean the author should forget the storyline over and over. It was hard to follow, scatterbug, confusing and didn't hold my kids' attention for a second. I only finished the book out of sheer determination. Not a fan. I rarely give books one star, but this one was particularly awful. Just because the book is about forgetful bears, doesn't mean the author should forget the storyline over and over. It was hard to follow, scatterbug, confusing and didn't hold my kids' attention.
