On January 3rd, 2018, New York Magazine[10] published a lengthy excerpt from the Michael Wolff's book Fire and Fury: Inside the Trump White House. The article states that Wolff had unprecedented access to the president, following the White House over 18 months, conducting more than 200 interviews. Additionally, he alleges, "In true Trumpian fashion, the administration's lack of experience and disdain for political norms made for a hodgepodge of journalistic challenges. "What makes Fire and Fury important is that it is not just about Trump, but a product of the same culture that produced Trump: It is 'reality' journalism, in the same way that Trump is a 'reality' character." â€”The Atlantic. "It is not a book.Â One can argue how much you'll know about the Trump White House, in the sense of quantifiable data, after reading this astonishing book. But what is irrefutable is how much you'll "understand" this administration and its tragic, even fatal flaws. This is the proverbial "fly on the wall" chronicle, and is a must-read for anyone that wants to grasp the breadth of dysfunction and degeneracy that attend this Presidency. Fire and Fury: Inside the Trump White House is a 2018 book by journalist Michael Wolff which according to Wolff, details the behavior of U.S. President Donald Trump, the staff of his 2016 presidential campaign, and the White House staff. The title refers to a quote by Trump about the conflict with North Korea. The book became a New York Times number one bestseller. Reviewers generally accepted Wolff's portrait of a dysfunctional Trump administration, but were skeptical of many of Wolff's particular
